

Programs in Visual Impairment

*Ideas that move,
Leadership that inspires,
Scholarship that makes a difference
for the 21st century.*

REQUIRED COURSES FOR GRADUATE MAJORS PREPARING TO TEACH ORIENTATION AND MOBILITY

PROGRAM PLANNING

Master's degree students are required to take a minimum of 32 semester hours. Careful program planning is necessary to assure that the appropriate coursework and practicum experiences are taken. A Program of Study must be submitted and approved before the completion of 12 semester hours of work. Please consult with your advisor to assure that all requirements for the master's degree are met.
